- 3.) No well shall be drilled on Lessor's property, nor shall Lessee enter upon or install any surface installation of any nature whatsoever on the leased property, the within Lease being granted solely for the purpose of permitting the Lessee to unitize the leased property with other properties, which other properties shall bear all the burden of development. - 4.) In case the Lessor owns a less interest in the above described premises than the entire and undivided fee simple therein, then the royalties and rentals herein provided for shall be paid to the Lessor only in the proportion which such interest bears to the whole and undivided fee. If said land is owned by two or more parties, or the ownership of any interest therein should hereafter be transferred by sale, devise or operation of law, said land, nevertheless, may be held, developed and operated as an entirety, and the rentals and royalties shall be divided among and paid to such several owners in the proportion that the acreage owned by each such owner bears to the entire leased acreage.
- 5.) No change of ownership in the leased premises or in the rentals or royalties hereunder shall be binding on the Lessee until after notice to the Lessee by delivery of notice in writing duly signed by the parties to the instrument of conveyance or assignment and delivery of a duly certified copy thereof to the Lessee.
- 6.) Lessor further agrees that the Lessee shall have the right at any time to redeem for Lessor, or otherwise acquire by payment, any mortgage or other liens upon the described lands which any manner affect the Lessee's interest therein in the event of default of payment by Lessor and be subrogated in full to all the holder thereof the same as if Lessee were the original owner of said mortgage.

IN WITNESS WHEREOF, the Lessor hereunto set their hands to this Non-Drilling Oil and Gas Lease, referenced herein on this 14 day of December, 2010.
